#### Classroom Teacher :

Swishakorn has had an up and down second quarter. There have been some classes where he continues to do very well, but in others he has had a really difficult time staying focused. Swishakorn really enjoys science and has been doing really well. He understands the topics and he always puts forth good effort during lessons. During English classes, however, he struggles to pay attention to what we are working on, and he is not trying as hard. It has affected the quality of his class work and his overall scores on his summative exams. Swishakorn definitely has the ability to do well in all his classes, though it will be very difficult to do so if he doesn't put in the effort. Please try your best in all classes, Swishakorn. You are a very smart boy, and we know you can do it!
